

Pick-up & Drop-off Information

Please follow these rules to help us keep our student safe.

- 1) Please review the [traffic pattern map](#) and signs in the parking lot.
- 2) Enter the student drop-off zone only when your student is ready to be dropped off (say all your goodbyes in the vehicle and have your student ready with his or her belongings).
- 3) Enter the student pick-up zone only when your student is ready for pick up and is standing on the curb. Waiting in your vehicle in the yellow zone will keep others from entering the parking lot. If you arrive prior to dismissal, please pull in to a parking spot and proceed to the pick-up zone once your student is standing on the curb.
- 4) Please do not stop in the passing lane.
- 5) Follow the traffic rules and do not cut through the parking lot.
- 6) All students are encouraged to use cross walks.

Doors open at 7:28AM and classes begin at 7:35 AM.

Outside staff supervision is 7:20 – 7:30AM and 2:35 – 2:45PM.

SAFETY IS OUR NUMBER ONE CONCERN. PLEASE DO NOT PLAN FOR A QUICK DROP OFF OR PICK UP! The Summit Ridge traffic patterns can be very confusing because of our parking lot layout so please take the time to familiarize yourself with the map that is included.

DROP-OFF

Drivers may enter at the Summit entrance or proceed and enter at the Powderhorn entrance. If entering at the Summit entrance, you may turn right only in front of the building. Proceed around the lot to drop off your student when you are closest to the building. Quick drop off only. Do not park unless your student needs extra time to gather materials or you need to come into the building. Please do not “cut through” the parking area as this creates a very dangerous situation. Upon exiting the grounds, you may only take a right turn out of the main entrance onto Coal Mine.

If entering at the Powderhorn entrance, drivers will continue to make right turns until in the east parking lot. If you choose the inner loop of the parking lot, you will drive through the parking lot and drop your student off along the sidewalk next to the school where the bus pick-up is located. If you choose the outer loop in the parking lot, you may drop students off at the far sidewalk parallel with the school driveway entrance. All drivers will exit the east parking lot to the left back towards Powderhorn.

In the morning, busses will now drop off students at Powderhorn.

PICK-UP

Pick-up is in both parking areas. You may park on the left side of the one-way strip of the west lot and on the southeast side of the building. Follow the same rules for drop-off. You must park if waiting to pick up your student – no “circling” is allowed. You may not park in the bus area as busses will be picking students up here in the afternoon.

TIP: Parents have found that arranging a designated pick-up area with their student ahead of time works best.

Also please note students must leave school grounds by 2:45 PM every day unless there is a school activity, or they are in the building on Tuesday or Thursday receiving afterschool help or are part of a school club.
