**Come learn about the incredible benefits & opportunities  
offered by the only IB (International Baccalaureate)  
Programme in South Jeffco!**

- Students are challenged with rigorous curriculum to excel in their studies, pursuit of lifelong learning & personal development.
- Students have the opportunity to earn an International Diploma that is recognized worldwide.
- Colleges & universities recognize that IB Diploma graduates are better prepared for the demands of college & future employment.
- Provides incredible opportunities for university recognition, scholarships & tuition savings.
- Opportunities for once-in-a-lifetime international travel. Recent IB student travel offerings have included trips to China, Panama, Europe, and Japan!

We will highlight Dakota Ridge's IB Programme and explain the admittance process for the 2019-20 school year.
