

2019 Warren Tech Summer Program

All summer enrichment programs will be taking place at Warren Tech Central from Monday, June 3rd through Friday, June 7th. The classes will begin at 8:00 AM and conclude at 12:00 PM. Transportation will not be provided, so students are responsible for getting to the classes on time. Snacks will be provided for all students in all programs.

Program Descriptions

Review the program descriptions below. Some programs are for middle school or high school students. Be sure to note any fees or other requirements to be successful and safe in each class.

Women in Metals (14 spaces available)

Grade Level: new 9th grade females – those who just completed 8th grade

Do you enjoy science, math, art, jewelry, and working and crafting with your hands? Take this class! You'll get to create amazing projects in metal while working alongside fellow 8th grade women. Parent orientation prior to the first scheduled class; Warren Tech will provide the safety equipment needed for this class.

Instructors: Joe Martin and Annie Evans

Fee: \$10.00 for one week

Required: Closed-toed leather top shoes, Jeans, Short sleeve t-shirts – absolutely NO low-cut or revealing shirts, tank tops, halters, flowing sleeves, etc. Safety is the number one priority.

Parent Meeting: Monday June 3rd, 8:00-8:15 AM

Apply Here: <https://forms.gle/97tKvh73LNJ4HVq76>

Culinary Arts (25 spaces available)

Grade Level: students entering 6-10th grades in the fall

Would you like to cater events, decorate desserts, run a coffee bar, or be a star in your own cooking show? Take this class if you work well on a team, notice small details, and are a pro at staying calm and focused when everyone around you is working furiously. Culinary arts requires you bring the friendliness and the artistic talent so you can have fun learning and creating with your hands!

Instructors: Chef Joachim Schaaf and Nancy McGinness

Fee: \$50.00 for one week

Required: Jeans, Short sleeve shirts, Leather top/closed-toed shoes
*Hats and aprons will be provided by Warren tech

Parent Meeting: Monday June 3rd, 8:00-8:30 AM

Apply Here: <https://forms.gle/9aB4t7CA472Xmdts8>

Class schedule:

Monday: Safety and Sanitation, Breakfast Cookery, napkin folds, table settings, etiquette

Tuesday: Full 3 course "fancy" meal preparation to include soup, salad, main course and dessert

Wednesday: Italian favorites to include house made pasta, pizza, calzones, carbonara, alfredo, other

Thursday: All baking and desserts to include house made ice cream, eclairs, best ever cheese cake and more

Friday: Choose your meal and be creative; anything goes, French, Asian, Indian, BBQ, and more

Intro to Graphic Design Awesomeness (20 spaces available)

Grade Level: *students entering 6-10th grades in the fall*

Do you like to draw? Would you like to learn how? Learn how to create artwork, characters, and designs on a computer. In this class you'll learn how to make stickers, buttons, and t-shirts with your artwork on them using Adobe Photoshop, Adobe Illustrator, and the basics of design.

Instructors: Pete Cunis and Scot Odendahl
Fee: \$100.00 for one week
Required: Abide by Jeffco Public Schools dress code
Apply Here: <https://forms.gle/oT6m92A6VzWyD61K6>

Summer Internship

ACRES Internship

Grade Level: *High School Only*

Like working outside and getting your hands dirty or ever wondered how we grow and sell our food? Learn everything from seed to table with an internship on our 3-acre farm. You'll work and learn about agriculture through planting, weeding, watering, harvesting, and taking care of crops. We have irrigation systems, a climate battery greenhouse, a container garden, and we sell our fresh produce to Denver area restaurants and to the public through the Union Station Farmer's Market and our brand new Farm Stand.

Required: hat, closed toe shoes, sunglasses, sunscreen and/or protective clothing must be worn.
*Cold water and snacks will be readily available to keep interns hydrated and fueled with energy.
* Interns will be outdoors most of the day and have high sun exposure. Reapply sunscreen.
